

INTERNATIONAL LIMITED ❖ ❖ ❖ Montague ❖ ❖ ❖ WARRANTY

All Montague products are inspected, and tested at the factory. All products are then packed and crated properly for shipment.

Montague warrants to the original purchaser, subject to the exceptions and conditions below, that it will replace that part of any Montague product which proves to be defective in material under ordinary use for the purpose for which it is designed.

The effective parts warranty period shall be limited to one year from the date of installation and no longer than 15 months from the date of shipment. (See exceptions below.)

Parts required for the replacement of defective parts on Montague products must be replaced by the Authorized Agency in your area (Contact your Distributor). If service is required all labor shall be paid by the customer/end user.

Returns: Any defective part subject to a claim under this warranty must be shipped freight prepaid to Montague for warranty examination unless a written agreement has been made and is in effect with Montague regarding returned parts by both parties. (Contact your Distributor.)

It is the responsibility of the customer/end user to maintain the equipment by lubricating and calibrating all necessary parts as required or needed.
